SPRING
2017

The background of the entire page is a light gray abstract pattern consisting of numerous overlapping, straight lines of varying thicknesses. These lines intersect to form a complex web of irregular polygons and star-like shapes, creating a textured, architectural feel.

niche

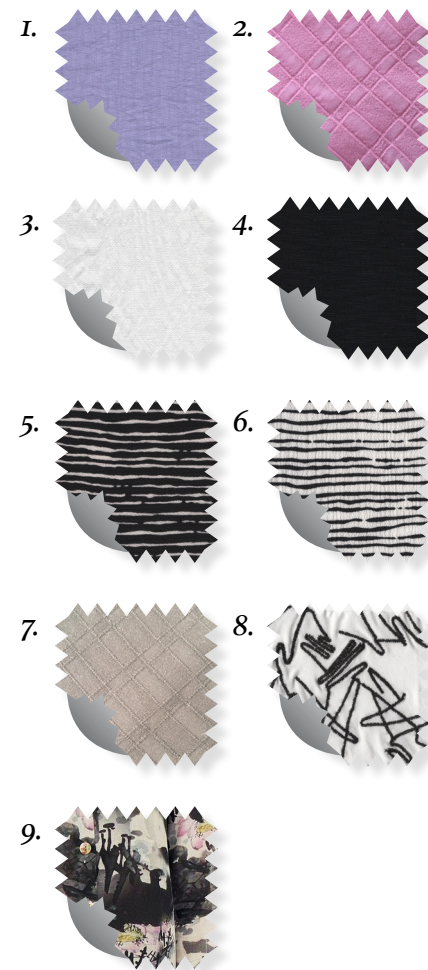

Niche is a collection of modern soft separates with rich textures and textiles and distinctive architectural details. It is made in the USA and found in high-end boutiques across the USA and Canada. In 2016, Niche celebrated its 20th anniversary as a fashion brand.

The Niche flagship boutique is in San Antonio, Texas at the Historic Pearl Brewery just across the river from company headquarters. The collection draws inspiration from this energetic district of culture, creativity, cuisine and fashion in the Alamo City.
